

We're Moving

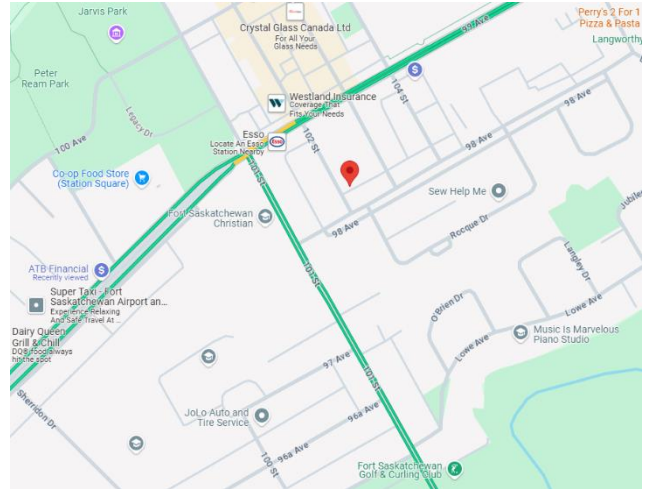

Big news my Dainty Dogs Fam!

I am taking a HUGE step – Dainty Dogs Spa has a brand-new home in Fort Saskatchewan!

Starting April 21, 2025, all appointments will take place at the new salon:

9803 – 102 Street, Fort Saskatchewan

Same phone number: 780-243-7701

No need to text when you arrive for appointments, just make your way in the front door for check in. Please continue to 'not' arrive earlier than 5 minutes before your appointment in order to not overlap.

The late/cancellation policy still stands

There will be a POS system at the new location so e-transfers will no longer be accepted. Debit/Cash will be the preferred but Credit will also be accepted.

There will be an **Open House** in May, once the building is painted and redone for a whole new look! There will be refreshments, a picture booth, a couple of local vendors, giveaways/raffles and FREE nail trims all day. Stay tuned for dates on that!

Appointments will remain one on one, just in a less busy than usual salon environment. There may be one other groomer there with their one on one dog, but dogs are still groomed straight through with no kenneling unless we are waiting on pick up.

As we strive to maintain the one on one service, we will call with a 30 minute pick up notice when nearing the end of the groom.

Exciting Addition!!

I will have a small retail section in the entry area, so feel free to peruse the unique and stylish clothes and accessories.

Unfortunately, with this move, we will no longer be offering our shuttle services.

See you all at the new location!!
