

Road Construction Spring/Summer 2026

To Our Valuable Clients

Please be aware that 102 Street will be closed during the spring and summer of 2026 while the City of Fort Saskatchewan completes their planned construction work for the 2026 Neighborhood Rehabilitation Project.

Good News! Dainty Dogs Spa will have access from 103 Street through the back alley and there will be parking available at the back of the building. Access to the front door should be ongoing by going along the sidewalk along the side of the building. Should this change, we will have a backup drop off/pick up access by the side door of the building.

We will be doing our best to keep to business as usual and are hoping that any interruptions will be minimal.

Thank you and see you again soon!
